# About Us

M/s. Anub Furniture was established in the year 2000. We were a small organisation which slowly and steadily grew up and now has 3 factory setups viz:-

- **7500 Sqft Factory for Wood Working.**
- **2500 Sqft factory setup for manufacturing of Modular Partitions Systems**
- **1000 Sqft of Powder Coating Plant**

Our major arm is Modular Furniture Systems manufacturing both Panel Based and Desk based systems.

Being Consultant to our client we provide them complete solutions of their requirement.

Our In-House Team comprises of Interior Designers, Production Designers, experienced shop-floor staff and Sales & Marketing Associates.

Today Anub Furniture completely focuses on giving consistent Quality, timely delivery and errorless product to our esteemed Clients.

## Panel Based System

We have a specially Designed panel based system for Projects with multiple Wire Managements Capacity to carry 80 – 100 CAT6 wires. The partition structure is made of Aluminum giving a robust but lighter look.

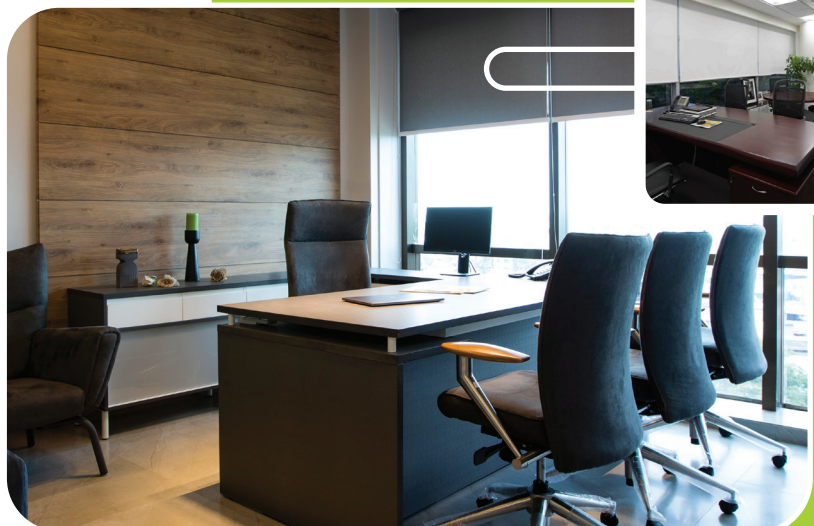

## Desk Based System

New age workstation with an open Desk system and Wire Management provision is given below the table top in wire trays (Horizontal & Vertical). Screen Panels are mounted over the Table for sleek look and functional aspect.

## Cabin Furniture

Our Executive Cabin Series comprises of the main table with support under structure below a side credenza and back storage as per your requirement

## Conference Table

Conference / Meeting table comprises the Table Top, understructure, vertical wire management and horizontal wire management. We have a wide variety of customized designs.
